OUR CERTIFICATION

OUR FABRICATION, MACHINING, PROJECTS AND MAINTENANCE, TA & SD WORKS

Workshop-I

Workshop-II

Seamless Pipes

Pipe Fittings

Welding

Pressure Testing

Mini Lathe

Milling Machine

10" Metal Horizontal Band Saw

CNC Milling

Valve Replacement &
Torque Tightening

Toolbox Talk Meeting
(TBT)

OUR SERVICES

PIPING / STRUCTURAL (NEW PIPELINE, REPAIR MODIFICATION AND REPLACEMENT)

- ❖ Supply Materials
- ❖ Site Measurement check and Propose new route line (If where applicable)
- ❖ Shop fabrication
- ❖ Non-Destructive Test (Radiography, Ultrasonic, Penetrant and Magnetic, etc)
- ❖ Site installation Piping and Structural
- ❖ Pressure Testing, Manual Touch up Painting, Reinstatement of Valves Assembly.
- ❖ Quality documents Hand Over (WPS & PQR, WQT, Procedures, Reports, etc.)

CNC MACHINING / MILLING / DRILLING

- ❖ Semi-contractors Machining Works, Oil & Gas

REPAIR AND WELDING WORKS

- ❖ Repair of machining shaft related to Oil & Gas spare parts
- ❖ Repair of heat exchangers tube sheets, shell body, Pipeline and replaced (If any)
- ❖ Repair and cleaning of tank, drum, Pressure Vessels & exchangers.

VALVES REPAIR AND OVERHAUL SERVICES

- ❖ 6" below replaced new (Ball Valve, Gate Valve, Plug Valve, Check Valve, etc)
- ❖ 6" above Valves and MOV (Motor Operating Valve) repair and Overhaul services, replaced new.

OTHERS

- ❖ Supply Skilled Manpower (Process and Construction)
- ❖ Supply Materials (Piping, Structural)
- ❖ Supply all type of Valves and MOV (Motor Operating Valves)

SUB-CONTRACTORS

- ❖ Non- Destructive Testing
- ❖ UT,RT, PT,MPT,VT PMI, UTG, PAUT, EDDY CURRENT, Etc
- ❖ Painting / Galvanizing
- ❖ Insulation (Hot/Cold)
- ❖ Scaffolding
- ❖ Civil
- ❖ 3rd Party Inspection & Testing

OUR EQUIPMENTS

EQUIPMENT LIST

1	Air Compressor	1	11	Mini Lathe	1
2	Generator 125KVA	1	12	CNC Milling M/C	1
3	SMAW Welding M/C	2	13	Grinding	6
4	TIG Welding M/C	2	14	Fiber Cutter	3
5	FCA Welding M/C	1	15	Die Grinder	10
6	Welding Generator	1	16	6" Bench Grinder	1
7	10" Band Saw Cutting	1	17	Fire extinguisher	6
8	Pipe Bending Manual	1	18	Hydro Test Manual Pump	1
9	Welding Oven	1	19	Plasma Cutting M/C	1
10	Welding Quiver	4	20	Surface Table	1

Objectives are statements of specific outcomes that are to be achieved.

OUR MISSION

"We are committed to be a trusted Engineering design works company, delivering total client satisfactions with service quality and reliability.

OUR VISION

"We pursue to be the "BEST CHOICE" in the Engineering design works, providing comprehensive suite of solutions to all our valued clients."

AIMS OF GOALS

General statements of what business intends to achieve.

Engineering, Procurement, Construction and Process Plant Maintenances:

- We will provide detailed engineering for the steel structure, Piping, Tankage Repair, Tank Cleaning and Process Plant Maintenance works
- We will provide supply of materials for the piping, steel structure, Varies type of Valve, Gasket studs bolt, Heat exchanger tubes,etc.
- We will provide mini Project and Process Plant Maintenance Support like Turnaround job manpower and material supply,etc.

OUR CLIENTS

ExxonMobil
